**Management of Major Depressive Disorder Clinical Support Tools**

*Trainer-ready materials to help health care providers improve treatment outcomes by assisting with symptom recognition, treatment and management*

To download, visit [www.healthquality.va.gov](http://www.healthquality.va.gov)
WELCOME LETTER

Welcome to the 2015 Defense Centers of Excellence for Psychological Health and Traumatic Brain Injury (DCoE) Summit on Continuum of Care and Care Transitions in the Military Health System.

At DCoE, we strive to improve the lives of our nation’s service members, veterans, and their families by advancing psychological health and TBI prevention and care. We support military health care providers through educational opportunities, such as this summit, promoting a collaborative approach to meeting the needs of today’s service members and veterans in all treatment contexts and phases of recovery.

For this year’s summit, we have set dual tracks in psychological health and TBI, addressing some of the challenges of providing quality health services across care transitions and the continuum of care. Experts and key leaders from the Defense Department, the Department of Veterans Affairs, academia, and the civilian sector will speak to these challenges and share clinical and operational perspectives.

Some sessions will highlight current programs, resources and emerging technologies that support psychological health and TBI care; while others will introduce practices that improve patient’s experience and quality of care.

Throughout this event, whether you are participating in-person or virtually, I hope that you will connect, engage, ask questions, and help us shape the future of psychological health and TBI care.

I thank each of you for your commitment to expanding knowledge and sharing expertise.

Sincerely,

Navy Capt. Mike Colston
Director

DCoE Headquarters
1335 East-West Hwy., Silver Spring, Maryland 20910

LUNCH HOUR
### Wednesday

#### Psychological Health Track

**inTransition: Maintaining Continuity of Care Across Transitions**

**SESSION P1003**

George Lamb, L.C.S.W.

Chief of Outreach, Defense Centers of Excellence for Psychological Health and Traumatic Brain Injury

---

**To Screen or Not To Screen: Why and How for Posttraumatic Stress Disorder?**

**SESSION P1004**

Michael C. Freed, Ph.D., EMT-B

Associate Director of Research, Deployment Health Clinical Center, Defense Centers of Excellence for Psychological Health and Traumatic Brain Injury

Kathryn M. Magruder, Ph.D., M.P.H.

Professor, Psychiatry & Behavioral Sciences, Division of Military, Medical University of South Carolina

---

**Care Transitions for Comprehensive Suicide Prevention in Health Care Systems**

**SESSION P1005**

Adam Chu, M.P.H.

Prevention Specialist, Suicide Prevention Resource Center, Education Development Center, Inc.

---

#### Traumatic Brain Injury Track

**Assessment and Management of Post-Traumatic Headaches**

**SESSION T1003+**

Ronald Riechers, II, M.D.

Assistant Professor, Department of Neurology, Veterans Affairs Medical Center, Case Western Reserve University

---

**Sleep Disorders Among Military Mild TBI Patients**

**SESSION T1004**

Army Lt. Col. Kate Van Arman, F.N.P.

Medical Director, Fort Drum Traumatic Brain Injury Clinic

---

**Combat Eye Injury and Visual Dysfunction — Association with TBI and Psychological Health**

**SESSION T1005**

Felix Barker, II, O.D., M.S., F.A.A.O.

Associate Director of Research, Rehabilitation and Reintegration Directorate, VA/DoD Vision Center of Excellence

Army Lt. Col. Kenney Wells, O.D., M.S., F.A.A.O.

Chief, Optometry, Walter Reed National Military Medical Center

Army Maj. Marcus H. Colyer, M.D.

Assistant Professor of Surgery, Uniformed Services University of the Health Sciences; Program Director, NCC Ophthalmology; Vitreoretinal Surgeon, Walter Reed National Military Medical Center

---

**10 MINUTE BREAK**
Day 1 Closing Remarks
SESSION P1006
Navy Capt. Anthony A. Arita, Ph.D.
Director, Deployment Health Clinical Center

Day 1 Closing Remarks
SESSION T1006
Navy Rear Adm. Bruce A. Doll, Ph.D., D.D.S.
Director for Research, Development and Acquisition,
Defense Health Agency and Deputy Commander, U.S.
Army Medical Research and Materiel Command
in Transition is a voluntary and confidential program to support you as you move between health care systems or providers. A personal coach, along with resources and tools, will help you during this transitional period. You'll have everything you need to make your transition a success.

#DCoEsummit
Professional Education Services Group

2015 Defense Centers of Excellence Psychological Health and Traumatic Brain Injury Summit:
Continuum of Care and Care Transition in Military Health System
September 9-11, 2015
Live Activity

Continuing Education Accreditations

Continuing Education Information
This continuing education activity is provided through collaboration between the Defense
Centers of Excellence for Psychological Health and Traumatic Brain Injury (DCoE) and
Professional Education Services Group (PESG). This activity will provide continuing education
for physicians, nurses, health care executives, psychologists, speech language pathologists,
social workers, occupational therapists, physical therapists, and counselors as well as a general
participation certificate for other attendees.

Disclosures:
PESG and DCoE staff have no financial or non-financial interest to disclose.

Physicians
This activity has been planned and implemented in accordance with the accreditation
requirements and policies of the Accreditation Council for Continuing Medical Education
(ACCME) through the joint providership of Professional Education Services Group and the
Defense Centers of Excellence for Psychological Health and Traumatic Brain Injury (DCoE).
Professional Education Services Group is accredited by the ACCME to provide continuing
medical education for physicians. This activity has been approved for a maximum of 19 hours
of AMA PRA Category 1 Credits™. Physicians should only claim credit to the extent of their
participation.

Nurses
Nurse CE is provided for this program through collaboration between DCoE and
Professional Education Services Group (PESG). Professional Education Services
Group is accredited as a provider of continuing nursing education by the American
Nurses Credentialing Center’s Commission on Accreditation (ANCC). This activity
provides a maximum of 19 contact hours of nurse CE credit.

Health Care Executives
Professional Education Services Group is authorized to award (19.0) hours of pre-approved
ACHE Qualified Education credit (non-ACHE) for this program toward advancement, or
recertification in the American College of Healthcare Executives. Participants in this program
wishing to have the continuing education hours applied toward ACHE Qualified Education
credit should indicate their attendance when submitting application to the American College of
Healthcare Executives for advancement or recertification.

**Psychologists**

This activity is approved for up to 19 hours of continuing education. APA Division 22 (Rehabilitation Psychology) is approved by the American Psychological Association to sponsor continuing education for psychologists. APA Division 22 maintains responsibility for this program and its content.

**Occupational Therapists**

(ACCME Non Physician CME Credit) For the purpose of recertification, The National Board for Certification in Occupational Therapy (NBCOT) accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by ACCME. Occupational Therapists may receive a maximum of 19 hours for completing this live program.

**Physical Therapists**

Physical Therapists will be provided a certificate of participation for educational activities certified for AMA PRA Category 1 Credit™. Physical Therapists may receive a maximum of 19 hours for completing this live program.

**Rehabilitation Counselors**

The Commission on Rehabilitation Counselor Certification (CRCC) has pre-approved this activity for 19 clock hours of continuing education credit.

**Speech-Language Professionals**

This activity is approved for up to 1.9 ASHA CEUs (Intermediate level, Professional area)

**Social Workers**

This Program is approved by The National Association of Social Workers for 19 Social Work continuing education contact hours.

**Other Professionals**

Other professionals participating in this activity may obtain a General Participation Certificate indicating participation and the number of hours of continuing education credit.
How to Earn CE Credit

2015 Defense Centers of Excellence Psychological Health and Traumatic Brain Injury Summit: Continuum of Care and Care Transition in Military Health System

1. Go to URL dcoe.cds.pesgce.com

2. Prior to evaluating sessions for the 2015 Defense Centers of Excellence Psychological Health and Traumatic Brain Injury Summit, you must select the Global Summit Evaluation activity, log in, and complete its evaluation.

3. Once you have completed the Global Summit Evaluation, return to dcoe.cds.pesgce.com and select the 2015 Defense Centers of Excellence Psychological Health and Traumatic Brain Injury Summit.

4. Select a session that you have attended and wish to evaluate. Only sessions that have completed their presentation will be listed.

5. This will take you to the log in page. Please enter the e-mail address and password you used when you registered for the activity. Select “I Forgot My Password” if you need to reset the password you set up.

6. Verify, correct, or add your information.

7. You will only be able to evaluate individual sessions after you have completed the required global evaluation (see 2, above).

8. You must complete an evaluation for each session you attend. After evaluating a session, you may either select another from the list that will be displayed, or log out and return to the site later to complete additional evaluations.

9. Upon completing the evaluation for all sessions you attended you can print your CE Certificate. Your CE record will also be stored here for later retrieval.

10. The website is open for completing your evaluation for 14 days after the Summit has completed.

11. After the website has closed, you can come back to the site at any time to print your certificate, but you will not be able to add any evaluations.
THANK YOU

Wellness resources for the military community.

Visit afterdeployment.t2.health.mil for more information
